

# What is FAMILY- STYLE VBS?

This year's VBS is going to be ALL the fun of our traditional VBS packed into a week of at-home activities! Together as a family, you'll experience the relevant Bible teaching, energetic worship videos, fun games and crafts your kids love, in the safety of your own home—plus bonus activities built in, like life application discussion guides, additional worship and Scripture songs, family devotions, a virtual community of other families experiencing VBS alongside you, and more!

**This family-style VBS is packaged to deliver a powerful experience for your family through the word of God in your own home.** Expect to spend at least an hour each day, any time of day, learning from the Bible and enjoying VBS fun—you can also dig deeper with optional activities and discussions up to two hours each day. This year's program is designed to be completely flexible and adaptable to meet the needs of your family.

## Here's how you'll receive your VBS:
