

C4KIDS Reopening Guidelines

Children's ministry will be offered during the 10:45 service ONLY during this first phase of reopening.

C4Kids volunteers will be asked to meet the needs (safety needs, peace-of-mind needs, and spiritual needs) of those we serve by :

- **Sanitizing upon arrival (self and space).**
 - Spray carpeted bench-seats with light mist of disinfecting cleaner
 - Wipe down tables, door knobs and light switches with disinfecting cleaner
- **Wearing masks when in the presence of children and families within 6 feet:**
 - During arrival and dismissal
 - During worship and small group activities
 - Masks are not necessary when teaching large group from the stage (with first row of bench-seats empty) for video-recording purposes
 - Masks for children are optional at families' discretion—not required
- **Avoiding excessive use of contact gestures (avoid high-fives and hugs—exceptions below)**
 - Toddlers and infants may be held for comfort
 - Hugs initiated by children may be accepted
- **Sanitizing during table activities**
 - Please wipe down tables after use
 - Please discourage sharing of materials (individual supplies will be provided)
 - Snacks will be pre-packaged for each child (Nursery BYOSnacks)
 - Children and volunteers will be asked to use hand sanitizer before and after snacks
- **Post-service cleaning tasks will be posted. Let's work together to sanitize after service.**
 - Wipe tables, chairs and counters with disinfecting cleaner
 - Wipe door knobs and light switches (and other high-use areas) with disinfecting cleaner
 - Spray fabric and carpeted bench-seats with light mist of disinfecting cleaner
 - Place craft materials in tray to be sanitized
 - Dispose of all garbage
 - Toddlers and Nursery: wipe down all handled toys (put away many toys before service)

We will keep you posted as guidelines change... please keep our families, our church, and the ministry in prayer!

CROSS CREEK
COMMUNITY CHURCH

PARENTS,

**Please stop here to check your child
before proceeding to C4KIDS toddler classes
and children's ministries.**

**If you or anyone in your family has experienced
the following symptoms in the past 7 days, please
do not leave your child in our ministry care.**

- Fever over *99.4° or signs of fever (flush, chills, sweats)
- Severe or uncontrollable cough
- Sore throat
- Shortness of breath or difficulty breathing
- Severe fatigue or severe headache (especially with fever)
- Vomiting or severe nausea
- Recurring diarrhea (more than once)
- Severe congestion or runny nose
- Muscle or body aches
- Known exposure to COVID-19

*Fever over 99.4° by forehead scan, or over 100.4° by mouth
